Apology and Retraction

I, Daniel John Wise, am responsible for posting the above Ripoff Report No. 1365728 under the name "Lisa" in 2017 about Justin Paperny. While the report is written from the perspective of an unhappy client of Justin Paperny, in actuality, I have never been a client of Justin Paperny. In fact, I am his competitor. The report is replete with false and defamatory statements. The false, defamatory statements about Justin Paperny were made in a strategic and concerted attempt to falsely and permanently damage his reputation. There was no legitimate factual basis to make these false statements. A court of law has found these statements about Justin Paperny to be false, defamatory, and unlawful. I acknowledge that these false statements were very harmful and hurtful to Justin Paperny, and therefore I sincerely apologize to Justin Paperny for these false statements.
